

Due to the recent Government Guidelines we have had to make a few changes to our studio to ensure the safety of all our staff members and pupils that enter our premises. Can you please make sure you read all of our regulations and we ask you all to please to follow them very carefully.

- * All classes are booking online only via our booking system.**
- * The Back door that leads to the studio via the car park will no longer be open we are using the fire exit for emergencies only.**
- * There is a door bell been put in place at the front entrance of the studio so when you arrive please press the call button and wait until a member of our team attends.**
- * Outside if we could please ask everybody that is coming to a class/ lesson to queue with a 2 meters distance from each other.**
- * When you enter the studio please put on your face mask.**
- * We have put tape to mark a one way system around the studio Please Sanitise your hands when you enter the building and regularly during your time in the studio using our hand sanitising stations that have been installed.**
- * Please ensure you arrive at the studio already dressed in your practice wear as our changing room will remain temporarily closed.**
 - * We will be operating a track and trace system.**
- * Its advised that parents should only drop off and pick up their children from the studio.**
- * Private lessons will only be accepted from people that are living inside the same household or in a bubble with your partner.**
- * Please do not attend the studio if you or anybody in your household is showing any symptoms of COVID 19.**
- * We will be hiring Studio 2 for dancers to practice with 1 hour time slots for a fee of £5 per hour.**
